

2019 Brush / Limb & Leaf Pick-Up guidelines

Pick-Ups will be held the first full week of each month April – October

Guidelines:

- Limbs must be placed out for pick-up by 7:30 a.m. on the first day of the pick-up week of each month. There will be only one pass-through by the city for each area. If you are missed, or forget to place limbs out for pick-up, you may dispose of them at the city brush site on E. Quincy St.
- Dates are subject to change based on need or weather conditions.
- Brush and limbs are to be placed by the alley in the rear of the property, if no alley, brush and limbs are to be placed inside the curb on the park-strip in front of the property.
- Accepted items include brush, limbs and branches up to 4 inches in diameter, not to exceed 6 feet in length, with soil removed from the roots.
- The city reserves the right to refuse pick-up at properties not complying with these guidelines. Anything other than the items listed above will not be accepted.
- Residents are reminded not to block the street or parking with brush and or limbs.

Guidelines for Leaf Pickup service are the following:

- Leaves are to be placed just behind the curbs, **not in the street** as they will clog city storm basins, positioned in rows not to exceed 4'0" in height. "Do Not" mix brush/limbs or grass with leaves, as this can damage vacuum equipment.
- Avoid placing piles around mailboxes, utility poles, fire hydrants or traffic signs. Bagged leaves will not be collected
- **GRASS CLIPPINGS** The Street Department **does NOT pickup grass clippings**. Grass clippings, brush/branches and other yard debris may be taken to the Northeast Indiana Solid Waste Management District compost facility at 2318 County Road 36A. They are open Monday-Friday from 8 a.m. – 7 p.m. and on Saturday from 8 a.m. – 3 p.m.

❖ *Items taken to city barns at 400 E. Quincy St. are for **Garrett Utility Residents Only.***

Contractors are not to use our drop off site for their items.
